

WAIVER OF ATTENDANCE AT A POST-CERTIFIED BASIC COURSE

(For persons who have satisfactorily completed a general law enforcement basic academy.)

A waiver of completion of a California POST-certified Basic Course is an option for meeting the Regular Basic Course training standard required by the California Commission on Peace Officer Standards and Training (POST). The Regular Basic Course training standard is required for POST-Program city police officers, sheriff's deputies, marshals, district attorney investigators, campus police officers, park police, designated Level I reserve peace officer positions (non-designated as of 1-1-97) and a few miscellaneous peace officer positions identified in the California Penal Code.

To obtain a waiver, an individual must successfully complete the entire Basic Course Waiver (BCW) process. Agency sponsorship is not required to participate in the BCW process. **Acceptance of a waiver for meeting the Regular Basic Course standard is at the discretion of the employing agency.** **Please Note:** Completion of the Basic Course Waiver Process does NOT constitute the issuance of a Basic Certificate. A Basic Certificate may be applied for by an agency in the POST program after specific criteria has been satisfied.

BASIC COURSE WAIVER (BCW) PROCESS				
The BCW process is a five-step procedure for evaluating prior law enforcement training and testing knowledge and skill levels. The steps must be completed in the order shown.				
Step 1. SELF-EVALUATION (Pages 2 - 5)	Step 2. POST TRAINING EVALUATION (Page 5)	Step 3. WRITTEN EXAMINATION (Pages 5 - 6)	Step 4. SKILLS COMPONENT (Pages 6 - 7)	Step 5. WAIVER ISSUANCE (Page 7)
The applicant must show prior completion of a 200-hour or longer general subject basic academy, from another state or FLETC, and enough additional law enforcement training to meet the California Basic Course 664-hour minimum requirement.	The applicant's self-evaluation and supporting documents are evaluated to decide if the Basic Course 664-hour minimum has been met.	The multiple-choice written examination measures knowledge of POST Basic Course basic academy curriculum.	The 136-hour-minimum Requalification Course and skills examination covers mandates and critical skills.	POST issues a letter waiving required completion of a Basic Course, valid for three years.
\$75 fee		\$91 fee	Fees vary by presenter	No fee

WAIVER VALID FOR THREE YEARS**FOR INFORMATION**

An individual must be appointed as a California full-time peace officer or Level I reserve officer (must serve an annual average of 16 hours monthly) within three years from the date of the waiver.

After the instructions have been carefully read, additional information can be obtained by calling the Basic Training Bureau at (916) 227-4254, sending a FAX to (916) 227-6932, or writing to BCW@post.ca.gov on the Internet.

STEP #1: SELF-EVALUATION OF TRAINING

INTRODUCTION

The applicant will prepare a self-evaluation on the Training Evaluation Schedule (TES), POST TF 2-260 (Rev. 12/96).

These instructions explain:

- o Minimum training required
- o Approved types of training
- o Completion of Training Evaluation Schedule

MINIMUM TRAINING REQUIRED

Equivalency with the Regular Basic Course training standard is based on meeting the three requirements in the table below.

1. Prior Law Enforcement Basic Course	Completion of a 200-hour or longer basic law enforcement course: a. A general law enforcement training course certified or approved by California POST or similar standards-setting agency of another state in the U.S., OR b. California reserve peace officer course, OR c. FLETC's Mixed Basic or Basic Police Course. Note: Military Basic and Military Police training do not meet this prerequisite.
2. Minimum Training Hours in Each Domain	Completion of the minimum hours for each Learning Domain in the Regular Basic Course (664 hours total).
3. Legislatively-Mandated Subjects	These topics are identified on the Training Evaluation Schedule, by an asterisk. Most of the subjects are taught in the Requalification Course (option for BCW Process, STEP #4 page 7 of these instructions).

APPROVED TYPES OF TRAINING

Proof Of Course Content Required

Legible and complete training document photocopies (no fax copies) are required for all training hours shown on the TES. A school-issued course outline, schedule, syllabus, or letter of verification of course content is needed **if** the course:

1. Is a general title which does not match a TES subject, such as basic, advanced officer, and in-service courses.
2. Matches a TES subject, but the title does not reflect all subjects covered.
3. Was longer than one day in length and the certificate does not indicate the total course hours.

Handwritten Changes

Course dates must match the completion certificate dates.

The school must verify, in writing on school letterhead, that any handwritten changes were authorized by the school.

2. Is ineligible to continue the BCW process and must complete a POST-certified Basic Course before exercising peace officer powers in California.

Commission on Peace Officer Standards and Training
WAIVER OF ATTENDANCE AT A POST-CERTIFIED BASIC COURSE

STEP #3: WRITTEN EXAMINATION

ELIGIBILITY

If the POST evaluation shows minimum Basic Course hours, POST will send a written examination eligibility letter with instructions and information for requesting the written examination, information about study materials, and a list of topics to be tested. POST will arrange for administering the exam in a major California city, on a date and at a time, Monday through Friday, requested by the applicant. The written examination must be taken within 180 days (six months) of the eligibility letter date.

EXAM CONTENT

The exam assesses knowledge of a sample of the performance objectives (PO's) for the POST Regular Basic Course. The PO statements specify what a student is expected to demonstrate as a result of instruction, and are organized into learning domains. The written examination covers 24 of the 41 learning domains shown on the Training Evaluation Schedule. The exam includes California law questions.

STUDY MATERIALS

Performance Objectives for the POST Regular Basic Course may be purchased from POST's Media Distribution Center at (916) 227-4856. The *Basic Course Student Workbooks*, which cover California peace officer law, may be purchased from the California Office of State Publishing at 1-800-962-4916.

PASSING SCORE

The written exam consists of 130 multiple-choice exam questions; 87 must be answered correctly to obtain a passing score. Three hours time is allowed for completion.

FEE

The fee is a **\$91 certified check or money order**, payable to "Commission on POST". *Personal checks are not accepted.*

EXAM ARRANGEMENTS

When POST receives the exam fee, signed application and exam date, time and location preferences, POST will arrange the exam and telephone the applicant with the proctor name, exam date, time, and location details.

RETEST OPTIONS

One retest is allowed within 180 days of the first test date for an additional \$91 fee. If a retest is failed, a POST-certified Basic Course must be completed before exercising peace officer powers in California.

EXAM RESULTS

As soon as the exam materials are received, POST will score the exam and mail an exam results letter which indicates pass/fail results and further instructions. If the written exam is passed, the applicant is eligible to complete the BCW Skills Component.

Commission on Peace Officer Standards and Training
WAIVER OF ATTENDANCE AT A POST-CERTIFIED BASIC COURSE

STEP #4: SKILLS COMPONENT - COURSE AND TEST

ELIGIBILITY

If the written exam is passed, POST will mail an eligibility letter along with further information about completing the skills component. The skills component must be completed within 180 days (six months) of the eligibility letter date.

SKILLS COMPONENT

Requirements for the Skills Component are met by completing the Requalification Course (136-hour minimum) at specified basic academies in northern and southern California. Requalification Course content includes:

- o Review of applicant skills prior to skills testing,
- o Legislatively-mandated instruction, and
- o California legal update instruction and testing.

The course flyer lists course philosophy and content, POST-certified presenter names, phone numbers and contact names.

The applicant is responsible for contacting the course presenter for enrollment, fee, and scheduling arrangements.

This course requires students to demonstrate techniques which require physical ability and agility.

SKILLS TESTED

Tested Basic Course skill areas include physical control, baton and firearms techniques.

RETEST

One retest is allowed. Applicants who fail the retest are not eligible for a Waiver, and are required to complete a Regular Basic Course before exercising peace officer powers in California.

TEST RESULTS

A certificate of course completion is issued for the Requalification Course. The applicant must mail a photocopy of the completion certificate or letter to POST to initiate waiver letter issuance.

WAIVER OF ATTENDANCE AT A POST-CERTIFIED BASIC COURSE

STEP #5: WAIVER ISSUANCE

WAIVER ISSUED

Based upon the applicant's prior training, completion of the Requalification Course, and passing of requisite examinations, POST will issue a letter that waives the requirement for attendance at a POST-certified basic course. The waiver allows the applicant to seek employment as a peace officer within California.

Acceptance of a waiver is at the discretion of the employing agency. A waiver is NOT equivalent to a POST Basic Certificate.
